PUPPY PLACEMENT APPLICATION

The following questions help us determine good matches so that the right puppy and the right placement of each puppy are made. We consider the various requirements of both the puppy and its new owner(s), before a choice is made. We hope you will agree that the animal's welfare must be the foremost concern in considering a placement. Please answer the following questions as thoroughly as you can. Print this form, fill it out, scan it, and email it back. You can use an app like Apple Notes or CamScanner which is free for your smart phone. We understand there are a lot of semi personal questions, but a new family member is a very personal event.
